The Shape I Am

"My NAME is Alice, but—"

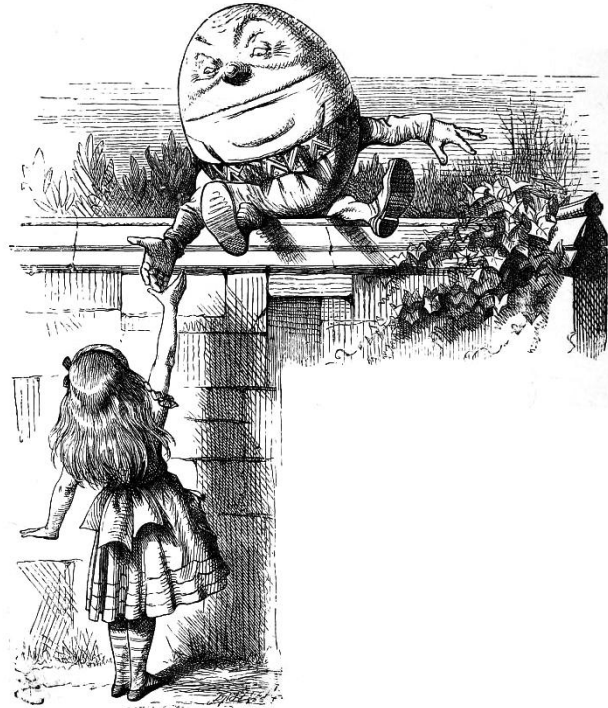

"It's a stupid enough name! ... What does it mean?"

"MUST a name mean something?" Alice asked doubtfully.

"Of course it must," Humpty Dumpty said with a short laugh:

"MY name means the shape I am – and a good handsome shape it is,

With a name like yours, you might be any shape, almost."

**CONTEMPT IS THE

AGAINST ONE'S OWN
DESPISED AND
UNWANTED FEELINGS.**

“I can't explain myself, I'm afraid, sir” said Alice, “because I'm not myself, you see.”...

“You!” said the Caterpillar contemptuously. “Who are you?”

... Alice felt a little irritated ... drew herself up and said, very gravely,

“I think, you ought to tell me who you are, first.”

CHAPTER II.

THE POOL OF TEARS.

“Curiouser and curiouser!” cried Alice (she was so much surprised, that for the moment she quite forgot how to speak good English); “now I’m opening out like the largest telescope that ever was! Good-bye, feet!” (for when she looked down at her feet, they seemed to be almost out of sight, they were getting so far off) “Oh, my poor little feet, I wonder

Oh dear, what nonsense I’m talking!”

Just at this moment her head struck against the roof of the hall: in fact she was now rather more than nine feet high, and she at once took up the little golden key and hurried off to the garden door. Poor Alice! It was as much as she could do,
